Objective

I am an undergraduate student of Statistics at Begum Rokeya University, Rangpur. Over the past few years, I have realized how important English (especially academic English) is for both higher studies and professional development. I am applying for this IELTS course because I genuinely want to improve my skills, especially in writing and speaking. My goal is to pursue a master's degree abroad in the future, and I believe this course will be a valuable first step toward that journey.
